PT-D460BT

Perfect for Home Offices or Large Corporate Workspaces

Transform your workspace with a professional label printer from Brother. The PT-D460BT Label Printer offers a compact, easy-to-use label printer which prints clear, laminated labels and comes with additional Bluetooth connectivity. Perfect for organising important files and folders, asset management and general office signage labels, this model allows you to create an organised and comfortable working environment for everyone

Applications

- Asset management
- Personal item
- Name tag
- File and folder
- Drawer or storage
- Office signage
- Stationery
- Cable management

Software and applications

P-touch Editor

Supplied as standard, you can create your own custom labels with pixel precision using this brand new software solution by connecting your label printer to your PC using USB Connectivity. The P-touch Editor software offers newly updated features including increased number of specially designed templates, additional number/time & date/barcode functionality and an overall user interface refresh to provide a truly connected solution for creating custom labels

Key features

- Wide range of pre-designed templates for a variety of home office and business applications
- Customisable templates for flexible editing with over 1200 symbols and 30+ fonts
- Easily find labels you've created in the past or share labels to Brother label editing apps on your smartphone
- Import data from excel and other databases directly onto labels
- Straightforward barcode/2D code label creation
- Create multilingual labels containing different language symbols using Unicode
- Customise labels to include your company logo

iPrint&Label App

Brother iPrint&Label is a free application that enables you to easily print labels from your phone or tablet to a Brother label printer using Bluetooth. Create labels through the P-touch Editor label design software, then simply share to a smartphone or tablet to print, save, or edit on the mobile app for a fully integrated solution

App Store

Google Play

Key features

- Fully customisable layout, including the option to add text boxes or lines, move objects and resize and rotate
- Access to pre-designed templates
- Hundreds of symbols and clip-art
- Add images, photos and logos to your label
- Add barcodes to labels, including QR code and 1D barcode
- Improved and modern looking user interface for ease-of-use, including the ability to quickly reprint saved or frequently used labels to save time
- Import contact details directly from your device onto labels

LABEL IT

Durable Brother TZe label tapes

TZe
TAPE

Specifically designed for the P-touch range of label printers, our laminated TZe tapes have been rigorously tested to stand up to even the harshest conditions. With excellent resistance to water, abrasion, chemicals and temperature extremes, they'll remain legible over time.

They're easy to peel and stick, and come in a variety of colours, widths and sizes. From standard laminated to matt and premium laminated, TZe tapes are suitable for almost any application. Plus, they're designed to work perfectly with your Brother P-touch.
