The ultimate workgroup performer

HL-L6400DW

MFC-L6900DW

Precision performance for your business

The professional workgroup range of mono laser printers from Brother. Simply watch them perform and you'll see they mean business.

The Brother L6000 mono laser range offers everything you expect from a professional printer, including high quality output, print and scan speeds of up to 50ppm, superb reliability and low total cost of ownership.

It also offers something you won't expect - the ability to fit in virtually anywhere and get to work fast.

That's because this range has been developed with the flexibility to adapt to the different requirements of virtually any size office, and the capability to be customised via open interface software to integrate with any type of network.

With printers this adaptable on your team, the possibilities are endless.

At your side

Whether its driving innovation in printer design, or providing some of the best technical support and after sales service around, its our promise to be at your side. When it comes to warranty, you can relax knowing that you are protected by a 5 year on-site warranty with extended warranties available if requested.

Peace of Mind. Guaranteed

When you purchase a Brother printer and our genuine inks or toners, we'll support you every step of the way with our FREE 5-year* warranty commitment. YOU DO NOT NEED TO REGISTER YOUR PRODUCT, our warranty is automatic when you purchase your Brother product. With Brother, you can have peace of mind that we are always "At Your Side".

To keep your Brother printer running in optimal condition we recommend that you use only Brother Genuine Consumables, this will ensure you automatically enjoy our exclusive 5-year warranty.

*Effective 1 June 2020. Only valid for purchases in South Africa

Designed to perform in every department

We believe that technology should meet the changing needs of businesses. To help us achieve this, we've listened to what our customers want and developed products to not just meet, but exceed their requirements.

Within this monochrome laser range from Brother, you'll find solutions designed to work at every level of your organisation.

More control for IT Departments

With Brother Solutions Interface (BSI) on board, the range allows bespoke software solutions to be easily implemented and is server-run for easy deployment across a range of devices. It also allows customisation of device user interfaces, granting full control of print, scan and other functions for complete integration.

Better economy for the Finance Department

Workgroup level office technology is now available without the workgroup level price tag. Near Field Communication (NFC) gives you better document security and improved user authentication for pull printing without expensive card readers. Plus, cost per page is lowered thanks to longer-lasting toner and more efficient design.

Improved business efficiency for CEOs

With fast A4 print and scan speeds of up to 50ppm, long waits for the printer become a thing of the past. And, the large 12.3cm LCD touchscreen on the MFC-L6900DW, featuring a more intuitive user interface, helps to speed things up too.

Additionally, options such as extra paper input trays and the mailbox with sort and stack function on the HL-L6400DW, with up to four output trays also help to reduce time spent loading paper and collating output.

Excellent print quality and reliability for everyone

Of course there's no point employing a professional print solution that doesn't deliver exceptional results. So another thing you can rely on is a crisp, sharp monochrome print quality that's amongst the best you'll find in a printer in this class - plus reliability levels that mean it delivers day in day out, month after month.

Built to deliver at every level

Brother's monochrome laser range isn't just packed with features. It's loaded with benefits designed to take your business to the next level.
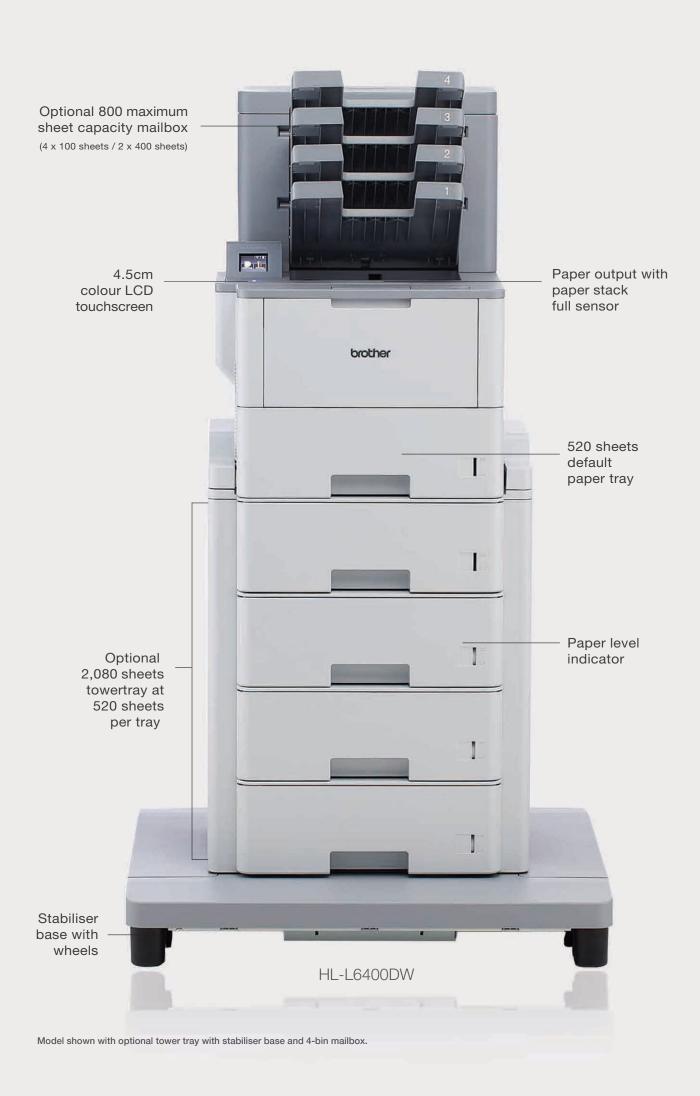

- User-friendly 12.3cm LCD touchscreen[1] makes operation both intuitive and easy

- Fast Gigabit Ethernet network speed to keep data flowing

- Less time waiting for prints with output speed of up to 50ppm

- Impressive print volumes of up to 10k[2] pages per month to keep up with the busiest workgroups

- Paper input options flexible enough to adapt to the most demanding requirements with optional 2 x 520 sheet trays / 4 x 520 sheet Tower Tray

- Install the optional 4 bin mailbox[3] unit and gain an additional 4 paper output trays for fast, convenient document collation

- Advanced paper output options including 520 standard output tray, output sensor and optional mailbox[3]

- Advanced colour scanning capabilities with 80 Sheet ADF[1] to handle up to 50ppm and up to 100ipm 2-sided scanning[1] to get large volume documents scanned fast

- Large memory of 1GB handles multiple documents from various users for minimum disruption to workflow

- 20k[2] super high yield inbox toner ensures high print volume capability from day one

- Replacement toner options of 8k/12k/20k[2] keeps cost per page low.

Flexible hardware, adaptable software

Convenient paper handling options

To satisfy your business' document handling needs, you can configure your printer a number of ways that will in turn allow you to improve paper input and output collation. These include:

Input
• Maximum paper input level of 2,650 sheets with tower tray

Output
• Mailbox assigns bins to users or groups using time-saving sorter and stacker features up to a maximum of 1,050 sheets (HL-L6400DW only).

Low total cost of ownership

Keep your running costs low from the start with a 20k inbox toner and replacement toner options of 8k, 12k and 20k pages*.

Designed to integrate

This feature-rich range will fit seamlessly into any size network used by workgroups, big and small, thanks to its:

• Open interface for maximum software customisation potential
• Ultimate connectivity thanks to cloud connectivity and Brother Solutions Interface.

An efficient workflow improves workplace efficiency

Tailored solutions that help you meet your business requirements

Brother Special Solutions Customisation (SSC)
Through careful collaborations, we help you to modify your Brother products or design the best solution that improves your workflow functions.

• Customised software, print drivers and firmware
• Automating installation and deployment of print drivers and software packages
• Pre-configured devices prior to shipment - to ensure they arrive ready to operate, right out of the box.

The Brother Solutions Interface (BSI)
A web-based service platform that allows software developers to easily create customised solutions to help you overcome specific business challenges.

• Integrating cost tracking applications for print management
• Securing access to device functions, user interface messages and support for network authentication
• Improved document management, security, workflow and e-forms solutions.

* Approximate toner yield is declared in accordance with ISO/IEC 19752

Works harder for you

Built on Brother's proven track record in mono laser printers, this range is designed to provide improvements in four key areas:

1. Reliability

This range is built to perform, with up to 150k maximum monthly duty cycle (up to 10k recommended monthly volume) to meet the demands of high output workgroups. Units have also been enhanced - they are more resilient and can handle the knocks and bumps of busy workspaces.

2. Productivity

With an impressively quick print speed of up to 50ppm, working fast comes naturally. They work harder too, with paper input of up to 2,650 and output capacity of up to 1,050 sheets using the optional mailbox with stacker and sorter functions.

3. Workflow

Design improvements include an 80-page auto document feeder that enables high speed 2-sided scanning straight into a document management system for less queuing and more doing. Along with a more intuitive interface, improved support for different media, and connectors to popular cloud-based services such as Microsoft SharePoint, it's just what your workgroups have been waiting for.

4. Security

Savvy businesses should settle for nothing less than the highest levels of security Active Directory integration, Secure Function Lock 3.0 and Internet Protocol Security (IPsec) ensure they are achieved. For added peace of mind, the range also features Print Archive, Secure Reset, Certificate Management and Near Field Communication (NFC) functionality for secure user access and authentication.

Business-centric printers built for high print volumes

High-quality, high-volume monochrome printing is now within reach of businesses big and small.

MFC-L6900DW

Up to 50ppm print, copy and scan capability as well as upgradeable paper handling options make the MFC-L6900DW a key team member for busy workgroups.

- Duplex print, copy, scan and fax
- Up to 10k pages recommended monthly print volume
- Up to 50ppm (100ipm) scan speed
- 520 Sheet paper tray + 50 sheet multi-purpose tray
- 250 Sheet paper output
- 80 Sheet ADF (Automated Document Feeder)
- 12.3cm LCD Touchscreen
- NFC (Near Field Communication) for mobile print and card authentication
- USB, Wireless and Gigabit wiredNetwork
- Up to 20k toner (20k inbox toner)*
- 2 x Optional 520 sheet lower trays / 520 x 4 Tower tray with stabiliser base.

HL-L6400DW

Fast 50ppm print capability make this model a capable performer that's also versatile enough to handle extra paper trays and 4-bin mailbox if required.

- Duplex print
- Up to 10k pages recommended monthly print volume
- 520 Sheet paper tray + 50 sheet multi-purpose tray
- 250 Sheet paper output
- 4.5cm LCD Touchscreen
- NFC (Near Field Communication) for mobile print and card authentication
- USB, Wireless and Gigabit wired Network
- Up to 20k toner (20k inbox toner)*
- 2 x Optional 520 sheet lower trays / 520 x 4 Tower tray with stabiliser base
- Optional 4-bin mailbox.

*Approximate toner yield is declared in accordance with ISO/IEC 19752

Professional accessories available

TT-4000

- 4 x 520 sheet tower tray with stabiliser base

LT-6505

- 520 sheet optional lower tray
- 2 x 520 sheet lower trays supported

MX-4000

- 4-bin Mailbox
- 100 sheets x 4 bins, convertible to 400 sheets x 2 bins
- Mailbox supported on HL-L6400DW

Supplies available with this range

*Approximate toner yield is declared in accordance with ISO/IEC 19752.   **Declared drum yield based on 3 pages/job.

Configured just for you

HL-L6400DW

Upgrade for the busy workgroups

Maximise workgroup efficiency with automated sorting, and prevent frequent paper reloads with the increased paper capacity of up to 2,650 sheets and output capacity of up to 1,050 sheets.

HL-L6400DW

Upgrade for easy sorting

Enhance productivity with automated sorting, and two additional paper trays which boost the paper input capacity of up to 1,610 sheets and output capacity of up to 1,050 sheets.

HL-L6400DW

Upgrade for heavy print jobs

With the expanded paper input capacity up to 2,650 sheets, the tower tray handles large volume printing without disruptions.

MFC-L6900DW

Upgrade for high print demands

Optimise print jobs with two additional paper trays, which increase the machine's total input capacity up to 1,610 sheets.

MFC-L6900DW

Upgrade for heavy duty printing

Process large print jobs effortlessly and avoid printing interruptions with a tower tray that holds a paper input capacity of up to 2,650 sheets.

Optional accessories require additional purchase

	Single-Function	Multi-Function
	HL-L6400DW	**MFC-L6900DW**
Key Functions	Auto 2-sided Print, Wireless Connectivity and NFC Card Reader	
PRINT FUNCTIONS		
Print Speed	Up to 50ppm*	
Duty cycle (A4 print, monthly)	150,000 maximum / 10,000 recommended pages	
Print Resolution	Up to 1200 x 1200 dpi	
First Print Out Time (Ready)	Less than 7.5 secs	
2-sided Feature	Auto 2-sided Print	
Special Print Functions	N-in-1 Printing Poster Printing (Windows® only) Watermark Printing (Windows® only) Header-Footer Printing (Windows® only), Secure Print	
Print Language	PCL6, BR-Script3, IBM Proprinter XL, Epson FX-850, PDF Version 1.7, XPS Version 1.0	
Quiet Mode	Yes	
COPY FUNCTIONS		
Copy Speed	-	Up to 50ppm*
Copy Resolution	-	1200 x 600dpi
Reduction / Enlargement Ratio	-	25% - 400% in 1% increments
Multi Copy / Stack	-	Up to 99 copies
SCAN FUNCTIONS		
Scan Type	-	Monochrome/ Colour - ADF or Flatbed
Dual Scanner (Method)	-	Yes (Dual CIS)
Resolution (Optical/Enhanced)	-	Up to 1200 x 1200 dpi / Up to 19,200 x 19,200 dpi
Scan Functions	-	Scan to Email, Image, OCR, File, Email Server , FTP, SFTP, USB and Network (Windows® only)
Scanning Speed (Mono/Colour) Multiple sheets	-	Up to 50/20 ipm***
FAX FUNCTIONS		
Modem Speed	-	33.6Kbps Super G3
Transmission Speed (Mono)	-	Approx. 2.5sec. (ITU-T Test Chart, Std resolution, JBIG)
Memory Transmission / Out-of paper reception	-	Up to 500 pages (ITU-T Test Chart, Std resolution, JBIG)
Speed Dial	-	300 Locations
Group Dials	-	20 Groups
Broadcasting	-	350 Locations
PC Faxing	-	Sending (Available for Windows®, Mac® [FaxShare Software by Brother], Linux® [LPR / CUPS PC-FAX Send Driver]) Receiving (Available for Windows®)
Other fax features	-	Duplex Fax Send, Internet Fax (Simple mode), Auto Reduction, Delay Timer (Up to 50), Error Correction Mode, Fax Retrieval, Remote Access, Quick Scan (Approx. 2.5 Sec), Fax Forward
PAPER HANDLING		
Input Tray (Standard)	520 Sheets	
Multi-Purpose Tray / Manual Slot	50 Sheets	
Output Tray (Face Down)	250 Sheets	
Optional Paper Tray (Output)	Mailbox [MX-4000] (Max. 800)	-
Optional Paper Tray (Input)	520 sheets (LT-6505) x 2 trays (max 1,040 sheets) or Tower Tray 520 sheets x 4 cassettes (TT-4000) (Max. 2,080 sheets)	520 sheets (LT-6505) x 2 trays (max 1,040 sheets) or Tower Tray 520 sheets x 4 cassettes (TT-4000) (Max. 2,080 sheets)
Automatic Document Feeder (ADF)	-	80 sheets
Media Size (Standard Tray)	A4, Letter, A5, A5 (Long Edge), A6, Executive, Legal, Folio, Mexico Legal, India Legal
