Your Efficient All-in-One Mono Laser Printer

Work from anywhere, at home or in the office with the easily connected Brother MFC-L2805DW. Hosting a range of efficiency-boosting features, this all-in-one mono laser printer saves you time with fast flawless printing and quick scan speeds, automatic 2-sided print, fax capability, a generous paper tray capacity and large automatic document feeder.

Set up with ease and download the Brother Mobile Connect App, enabling you to print and scan from virtually anywhere.

MFC-L2805DW

Key features:

- Print up to 34 pages per minute
- Auto duplex print, up to 16 sides per minute
- 2 Line LCD control panel
- Fast ethernet, 2.4GHz Wi-Fi Direct and USB
- 256MB Memory
- 50 Sheet Automatic Document Feeder (ADF)[11]
- 250 Sheet paper input tray[11]
- 1,200 Page yield inbox toner
- 3,000 maximum yield available[7]

Work smarter

The MFC-L2805DW is designed to increase efficiency, with fast print speeds helping you to work smarter. The Automatic Document Feeder and 2-sided print feature saves you time, enabling you to get on with other tasks. Scan your documents in colour or mono and send directly to your desktop or mobile device.

Effortless

Make your day easier and your printing effortless, with simple set up and fast wireless, ethernet or USB connection. This efficient MFC-L2805DW is a breeze to operate using the easy to navigate control panel.

The perfect partner

High quality print technology ensures that your output is flawless and professional every time. The expertly designed MFC-L2805DW has a high capacity paper input and output tray allowing you to print for longer, while the compact and quiet form enables you to work without interruption in smaller workspaces.

Print longer

The MFC-L2805DW keeps your printing costs down using a separate drum and toner unit, and the 1,200 pages[7] inbox toner supporting your higher print volume needs. Toner is easy to change and a high yield toner is available, printing up to 3,000 pages[7], reducing your cost per page and replacement frequency.
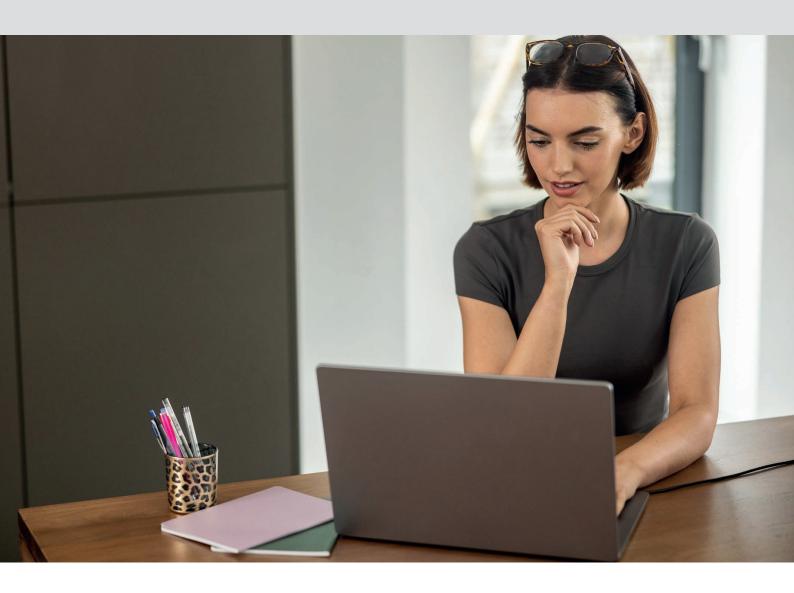

Secure by design

To keep pace with the ever-evolving legislation on privacy and data security, our devices offer the latest industry-standard security features to securely protect your data. Our security experts continuously research new enhancements to products, solutions and services to proactively ensure all our products are 'secure by design'.

The MFC-L2805DW provides a range of robust features. It uses triple-layer security at a device, network and document level. This offers added peace of mind and guarantees that the integrity of your data is maintained at every step.

Print from anywhere

With Brother Mobile Connect, you can fully operate your Brother printer from anywhere. Print and scan documents on the move. You can also personalise your frequently used features and unlock a revolutionary way of printing from your mobile device. Download the app on your mobile device to get started.
